

## FORGOTTEN VOICES

We lead by example, work with integrity, and aspire to leave the world a better place.

## FXBUILDS ZAWB

Forgotten Voices assists African families who are caring for orphaned and vulnerable children who have lost one or both of their parents. Our FXBuilds donation between 2017 and 2018 has helped in the pursuit of four of these projects in communities throughout Zambia and Zimbabwe — catalyzing real solutions to the global orphan crisis.
